sense and simplicity

Surge protector
Wall tap 6 outlets

SPP2307WC/17

Specifications

Outer Carton
- Gross weight: 2.95 lb
- Nett weight: 1.8 lb
- Tare weight: 1.15 lb
- Outer carton (L x W x H): 11.5 x 5.25 x 6 inch
- GTIN: 1 06 09585 15991 1
- Number of consumer packagings: 4

Packaging dimensions
- Gross weight: 0.68 lb
- Nett weight: 0.45 lb
- Tare weight: 0.23 lb
- Packaging dimensions (W x H x D): 4.375 x 7.375 x 2.75 inch
- Number of products included: 1
- Packaging type: Carton
- Type of shelf placement: Hanging
- UPC: 6 09585 15991 4

Highlights

Phone line protection
These connectors accommodate an RJ11 cord, routing the telephone line through the surge protector to guard against spikes and surges.

Power blocker
This automatic shutdown technology senses when the device has reached capacity and automatically shuts down electricity to your equipment. It protects against subsequent surges, even if you are not present

V3 Advanced Surge Technology
This new surge protection technology provides 27% greater surge protection capacity and better heat dissipation for safe, more reliable and longer lasting surge protection.

43 dB EMI/RFI noise filtration
Built-in filtering technology ensures the best performance from your components. It guards against signal interference and loss of data. The higher the dB rating the better the noise reduction.

6 child-safe outlets
Safety slides provide a protective barrier that block the outlet so small objects cannot get in. Keeps children safer.

Protection indicator light
This LED alert lights up to indicate the surge protector is working properly.

$150,000 equipment warranty
Protects your connected equipment for the life of the product.
